TUESDAY JUNE 8

BROOKLYN SPEAKEASY ROCK SHOW

Every Tuesday night this June, *Galapagos* is putting on its "Speakeasy" rock events. Tonight it's the Inevitable Breakups, who do that power-pop thing; Call Florence Pow, who's all about the Thomas Dolby-inspired techno rock; and the English Department, who, despite their name, aren't at all nerdy. And of course, drunken swimming in that lovely *Galapagos* moat. 70 N. 6th St. (betw. Wythe & Kent Aves.), Williamsburg, 718-782-5188, 8, \$8.
